

# **„Hacker“-space**

In Klagenfurt possible?

# „Hacker“-Space ?

A **hackerspace** (also referred to as a **hacklab**, **hackspace**, or **makerspace**) is a community-operated, often "not for profit" **workspace** where people with common interests, such as **computers**, **machining**, **technology**, **science**, **digital art**, or **electronic art**, can **meet**, **socialize**, and **collaborate**.

# Vision

**A Room that can be used to develop ideas and projects and to be creative together**

**A space where people meet and come together to talk about shared interests (tech-related) and organise events for their communities**

**One place for all communities**
